AS THE NATION'S PRINCIPAL CONSERVATION AGENCY, THE DEPARTMENT OF THE INTERIOR HAS RESPONSIBILITY FOR MOST OF OUR NATIONALLY OWNED PUBLIC LANDS AND NATURAL RESOURCES. THIS INCLUDES FOSTERING THE WISEST USE OF OUR LAND AND WATER RESOURCES, PROTECTING OUR FISH AND WILDLIFE, PRESERVING THE ENVIRONMENTAL AND CULTURAL VALUES OF OUR NATIONAL PARKS AND HISTORICAL PLACES, AND PROVIDING FOR THE ENJOYMENT OF LIFE THROUGH OUTDOOR RECREATION. THE DEPARTMENT ASSESSES OUR ENERGY AND MINERAL RESOURCES AND WORKS TO ASSURE THAT THEIR DEVELOPMENT IS IN THE BEST INTERESTS OF ALL OUR PEOPLE. THE DEPARTMENT ALSO HAS A MAJOR RESPONSIBILITY FOR AMERICAN INDIAN RESERVATION COMMUNITIES AND FOR PEOPLE WHO LIVE IN ISLAND TERRITORIES UNDER U. S. ADMINISTRATION.

U.S. DEPARTMENT OF THE INTERIOR

NATIONAL PARK SERVICE

GENERAL INFORMATION

The Department of the Interior grants to private companies or individuals the privileges of providing facilities and services that are considered necessary for the accommodation and convenience of park visitors. This booklet lists alphabetically by areas the overnight lodging accommodations, and other facilities and services concessioners provide for travelers in the National Park System. Additional facilities are usually provided in nearby communities. Information on those facilities may be obtained from Chambers of Commerce, automobile associations, travel guides and travel agents.

The areas of the National Park System are open to visitors all year, climatic conditions permitting. Visitor facilities are also open all year unless otherwise noted (dates are subject to minor changes.)

The lodgings include hotels, motels, cabins, cottages, and trailer villages, providing trailer rentals in some areas, and utility hookups for visitors pulling their own travel and vacation trailers. The locations of the lodgings within the areas are indicated on the maps in the informational folders issued by the National Park Service. These folders may be obtained at the entrance stations or by writing to the Superintendent of the area concerned. A National Park Service camping facilities booklet is available from the Superintendent of Documents, Government Printing Office, Washington, D. C. 20402.

Reservations and other detailed information may be obtained by writing directly to the concessioners at the addresses shown in this booklet. Early reservations are recommended for all overnight lodging, especially during late May through the middle of October, and during weekends and holidays at other times during the year.

The rates quoted vary according to the type of accommodations and are SUBJECT TO MINOR CHANGES. Rates quoted in this booklet may be slightly higher in some areas for the '78 - '79 Season. In some instances only 1977 rates were available at time of publication. The trailer site rates may vary depending on utilities available.

The National Parks are your heritage; enjoy them to the utmost, but please leave them unimpaired for the benefit and enjoyment of the millions to follow.
