Georgia ParkPass

The Georgia **ParkPass** is a daily parking pass available for \$2.00 (per day) or \$25.00 (annually) which all visitors using state park facilities are required to purchase and display in their vehicles.

ParkPass fees are collected in four ways:

- 1) Daily passes are dispensed from collection boxes at parking areas at the sites (there are some 200 boxes in the system).
- 2) Annual passes are sold at all parks and historic sites, at the Atlanta office, or through a mail order form (ask about our senior discounts!). Annual passes are hung from the rearview mirror and are transferable between vehicles registered to the same household.
- 3) Overnight guests at cottages, campsites, and lodges pay a one-day rate per vehicle at registration that is valid for the duration of their stay.
- 4) Group camp guests pay for their passes at check-out.

Look for signs identifying **ParkPass** projects when visiting a state park or historic site.

Cottage Information

All cottages are fully equipped with stoves and refrigerators, all necessary cooking and serving utensils, towels, bed linens and blankets. All cottages have heat and most have air conditioning. Many cottages have porches/decks and woodburning fireplaces/stoves (firewood not provided).

For example, a person may at any time during the month of June 1993, make a reservation for a cottage to begin at any time within the next eleven months or up to and including the entire month of May 1994.

A deposit of one night's lodging is due within seven days of receipt of the reservation notice. Checks should be made payable to the park. A reservation will not be confirmed until a deposit is received and accepted by the Park Office. Deposits not received within the allotted time result in automatic cancellation.

Generally, parks require a 2 night minimum stay with advance reservations; however, they may accept reservations for one night stays depending on occupancy. Some parks require a one week minimum stay from June 1 through Labor Day; however, shorter stays are allowed for reservations made less than 30 days in advance.

Reservation Preference: Preference is given to reservations made: 1) In person, 2) By telephone, and 3) By mail. Priority is given to the longest stay requested.

Deposit: Equivalent to one night's lodging.

Registration: Register at Park Office or Check-in Station upon arrival.

Check-In Time: 4 p.m. - 10 p.m. Reservation deposit slip and balance of payment must be presented when checking in.

Check-Out Time: 11 a.m. A late check-out fee will be charged after this time unless extension is permitted by the Park Office. Extension can be granted only when others are not waiting for a cottage.

Late Arrivals: Park must be notified of late arrival. After 10 p.m., late arrivals will only be allowed to register under emergency conditions. Reservations will not be held after 11 a.m. of second day, and both reservations and deposit are forfeited unless Park Office has been notified of late arrival.

Refund: Deposit will be refunded if a minimum of 72 hours notice is given to the park; however, a \$10.00 per unit cancellation fee will be deducted from the deposit. Deposit receipt must be returned to the park for refund. Any unused portion of a reservation period can be refunded if minimum occupancy has been satisfied.

Small youth groups such as scouts or church groups may occupy a single cottage in the park's off season provided the group is properly chaperoned and capacity of cottage is not exceeded. An adult must accompany all unmarried cottage guests under 18 years of age.

Pets: Pets are not allowed in cottages or cottage areas. Kennels are not available on parks.

Firewood: Firewood is not provided; however, in some parks, firewood may be purchased.
