Events appearing in this schedule of outdoor activities are offered as public services of the National Capital Parks in Washington, D. C. These events include campfire programs; hikes; bird, flower, tree, and general nature observation walks; outings for children; camera strolls; horse-drawn barge trips on the Chesapeake & Ohio Canal; historic tours; and auto caravans. Programs are under the direction of Park Naturalists and Park Historians. All outings are offered without charge except necessary transportation and admission costs on some trips.

(1) **CAMPFIRE PROGRAMS** are held outdoors in Rock Creek Park near 16th St. & Colorado Ave. N. W. each Saturday at 7:30 p.m. (8:30 p.m. if daylight saving time is in force). They consist of a half hour of recorded "Music at Twilight" under the auspices of the District of Columbia Public Library, followed by illustrated talks and motion pictures on National Parks and other popular subjects presented by well-known speakers. The Campfire site may be reached by 16th St. bus line to 16th St. & Colorado Ave. It is a two block walk from 14th & Hamilton Sts. on the 14th St. car line. Follow signs from 16th St. into the area. Ample parking space is reached from 16th & Kennedy Sts. In case of inclement weather or other unforeseen factor, programs will be canceled. Call the Park Police RE 1820, Ext. 2555, in case of doubt.

(2) **HISTORICAL TOURS AND CONDUCTED TRIPS:** Two-hour visits to historical areas are conducted by Park Historians who interpret the significant historical features visited. These trips start at 2:30 p.m. and involve short, easy walks. For further information telephone RE 1820, Ext. 2565.

(3) Two-hour **AFTERNOON NATURE WALKS** on Saturdays and Sundays, as scheduled, are short strolls where primary interest is the observation of natural features. Some are devoted to flowers; others to trees, ferns, mushrooms, mosses, tree diseases, rocks, snakes, frogs, insects, pond life, or general nature subjects. The time for each walk is given in the schedule.

(4) **BIRD WALKS** are scheduled from 6:30 or 7 o'clock Saturday and Sunday mornings during springtime and early autumn. Leadership for these outings is provided through cooperation of the Audubon Society of the District of Columbia.

(5) **CAMERA STROLLS** are offered this season for the fifth year. Led by Major Ralph W. French, an expert photographer, these trips are intended to help amateur photographers by taking them to scenic places in local and nearby parks where the technique of taking good pictures is demonstrated. Camera strolls will be offered on alternating Sundays.

(6) HORSE-DRAWN BARGE TRIPS ON THE SCENIC AND HISTORIC CHESAPEAKE & OHIO CANAL are conducted by the National Park Service in cooperation with Government Services, Inc., which manages the necessary business arrangements.

There will be two one-way trips each Saturday afternoon from May 3 to October 25, inclusive, and on Sunday afternoons in May, September and October; and four one-way trips on Sundays from June 1 to August 31, inclusive. The barge trip may be made either upstream or downstream. Upstream passengers leave Lock No. 3 (on the Canal one block south of 30th & M Sts. N.W.) in Georgetown, D. C., and ride the barge to Lock No. 5 at Brookmont, Md. The barge leaves Lock No. 3 at 9 a.m. and 2 p.m. on the dates noted above. At Lock No. 5, upstream passengers disembark to return to Washington via the Glen Echo street car line. Downstream passengers embark at Lock No. 5.
