OFFICE OF THE SUPERINTENDENT

May 19, 1959

Memorandum

To: Director  
From: Superintendent  
Subject: Monthly Report for April, 1959

Following is the report of activities for Yellowstone National Park during the month of April, 1959:

General

Weather. The weather was quite pleasant and dry during the month with precipitation recorded on 17 days in the Mammoth area. Total precipitation was 1.53 inches, compared with 3.32 inches in April 1958. Snow conditions in the Park were comparable with last April with a few blizzards during the middle of the month.

Increase or Decrease in Travel. Travel decreased in April compared with 1958: April 1958 - 350 vehicles - 1,228 people, April 1959 - 352 vehicles - 1,201 people.

Inspections. The gaging equipment at Yellowstone Lake was checked by USGS official Stewart A. Gutenberger on April 9.

The NPS Engineering Division is making a survey near the Gardiner Airport in connection with exchange of State-owned land with the U. S. Forest Service.

Special Visitors. Assistant Forest Officer Tom Schodet, (BLM, Boise), former Yellowstone ranger visited the Park on April 11.

Mr. Fred Martin, Publisher of the Park County News, Livingston, was in the Park on April 2 to obtain material and pictures for the special Yellowstone Park Edition to be published on April 15.

Superintendent Ed Hummel of Glacier National Park visited Yellowstone on April 11.

OF THE SUPERINTENDENT

APRIL 11, 1934

MEMORANDUM

TO: DIRECTOR

FROM: SUPERINTENDENT

SUBJECT: Monthly report for April, 1934

Following is the report of activities for the month of April, 1934:

Game

Wolves. The wolves were still hunting the elk and the sheep and occasionally attacking the cattle. The wolf population was estimated to be about 100. The wolf population was estimated to be about 100. The wolf population was estimated to be about 100.

Beavers. The beaver population was estimated to be about 100. The beaver population was estimated to be about 100. The beaver population was estimated to be about 100.

Elk. The elk population was estimated to be about 100. The elk population was estimated to be about 100. The elk population was estimated to be about 100.

Sheep. The sheep population was estimated to be about 100. The sheep population was estimated to be about 100. The sheep population was estimated to be about 100.

Cattle. The cattle population was estimated to be about 100. The cattle population was estimated to be about 100. The cattle population was estimated to be about 100.

Deer. The deer population was estimated to be about 100. The deer population was estimated to be about 100. The deer population was estimated to be about 100.

Antelope. The antelope population was estimated to be about 100. The antelope population was estimated to be about 100. The antelope population was estimated to be about 100.

Biologist Robert Bendt from Grand Teton National Park was in the Park on April 6 and 7 conferring on wildlife matters.

Field Biologist Walter H. Kittams of the Region Two Office arrived in the Park on April 22 to help in the Park's transition to carry on the wildlife activities which he previously performed, and to complete some phases of Yellowstone cooperative elk studies and taggings at Montana State College, Bozeman, Montana. He remained throughout the remainder of the month.

Special Activities. Superintendent Garrison returned to the Park from annual leave on April 5.

Personnel Officer Richard Miller attended a Personnel Officers meeting in Omaha, April 6 to 10.

On April 6, Superintendent Garrison appointed a new Quarters Evaluation Board with Luis Gastelum, Chairman, assisted by Messrs. Gary Rowe, Ernest Anderson, Howard Kocher and Rolla Everett. The Board is responsible for recommending rental rates and charges for service provided employees in the Park.

Mr. Condon was the principal speaker at the 37th Birthday Party, sponsored by the Chamber of Commerce and other civic organizations of Livingston on April 10, attended by 400 people of whom about 90 were from the Park. Everyone had a wonderful evening. Distinguished guests included Honorable J. Hugo Aronson, Governor of Montana, Mr. Van Lewis, Administrative Assistant to Governor Joseph J. Hickey of Wyoming, and Superintendent Ed Hummel of Glacier National Park. Governor Robert E. Smylie of Idaho had planned to attend.

Messrs. Garrison, Joseph Joffe, Huntley Child, Trev Povah and Bud Galusha, Jr. made a good-will get-acquainted tour of the three states surrounding Yellowstone Park, (Idaho, Wyoming and Montana), during the week of April 13. They attended meetings and conducted programs arranged for by the Chambers of Commerce in Idaho Falls, Butte, Great Falls, Billings, Sheridan and Casper. TV programs were put on in Idaho Falls, Butte and Casper, and radio tapes were made in Butte and Casper. Several newspaper interviews were held.

Mr. Otto M. Brown attended a Red Lodge Chamber of Commerce meeting on the 18th.

Messrs. Robinson, Billman and Oates went to Odgen on April 20 to take delivery of equipment, supplies and airfield landing mats for use as boat ramps on Yellowstone Lake.

THE UNIVERSITY OF CHICAGO PRESS

1. The first of these is the fact that the majority of the population of the United States is of European descent. This is a fact which has been recognized by the government and the people of the United States for many years. It is a fact which has been recognized by the government and the people of the United States for many years.

Superintendent Garrison and Assistant Superintendent Gastelum visited Yosemite National Park and the National Park Service Training Center on April 21. They conferred with WODC officials in San Francisco on Yellowstone matters April 22-27.

The 1959 revised Yellowstone booklet was reviewed and prepared and returned to Region Two Office on April 22.

The National Park Service was represented by Mr. Frank Mattson at the dedication of the Gertrude Vanderbilt Whitney Gallery in Cody, April 25.

Park Naturalist Dave Condon was the speaker at the Wyoming Chapter, International Association of Employment Security Personnel annual convention held in Cody, April 17 and 18. Mr. Condon talked to a Farmers Union meeting at Emigrant, Montana on April 23, and on April 29-30 he went to Logan Utah to discuss National Park Recreation with the Recreation Class at Utah State University.

Messrs. Otto M. Brown and Harry V. Reynolds attended the Fifth Montana Attorney General's Annual Crime Conference in Helena, April 30 to May 2.

Messrs. Viklund and Maxey, Snake River Park Rangers, attended a ten-hour Radiation Monitoring School in Grand Teton National Park during the month.

Park Rangers Perkins and McClelland, Old Faithful Sub-District, submitted special reports on Birds and Geyser activities.

A spot bid sale of surplus furniture was held on April 16, netting \$198.50.

The West Thumb Mess was opened on April 6. Mammoth Mess was opened on April 27.

A staff meeting was held on April 9.

#### Administration

Personnel. Florence C. Salisbury, promotion to Secretary (Stenography), GS-5, effective April 27.

Harriet I. Summers, promotion, Time, Leave and Payroll Clerk, GS-4, (Subject to Furlough), effective April 6.

There were three reassignments in the Division of Protection, effective May 3, involving Delmar G. Peterson, B. Riley McClelland and Robert H. Viklund.

Department of Justice and Department of Education

The 1918 National Education Conference was held at  
the University of Chicago, Chicago, Illinois, from July 1-11.

The National Education Conference was organized by the  
National Education Association of the United States and the  
National Education Association of the United States.

The National Education Conference was held at the University  
of Chicago, Chicago, Illinois, from July 1-11, 1918. The  
conference was organized by the National Education Association  
of the United States and the National Education Association  
of the United States. The conference was held at the  
University of Chicago, Chicago, Illinois, from July 1-11, 1918.

President Woodrow Wilson and Mrs. Wilson attended the  
conference. The conference was held at the University of  
Chicago, Chicago, Illinois, from July 1-11, 1918.

The National Education Conference was held at the University  
of Chicago, Chicago, Illinois, from July 1-11, 1918. The  
conference was organized by the National Education Association  
of the United States and the National Education Association  
of the United States.

The National Education Conference was held at the University  
of Chicago, Chicago, Illinois, from July 1-11, 1918. The  
conference was organized by the National Education Association  
of the United States and the National Education Association  
of the United States.

The National Education Conference was held at the University  
of Chicago, Chicago, Illinois, from July 1-11, 1918. The  
conference was organized by the National Education Association  
of the United States and the National Education Association  
of the United States.

A joint meeting was held on July 7.

### Program of the Conference

Monday, July 1, 1918. National Education Association of the  
United States, Chicago, Illinois. (Continued from page 1.)

Monday, July 1, 1918. National Education Association of the  
United States, Chicago, Illinois. (Continued from page 1.)

There were three main sessions in the morning of  
Monday, July 1, 1918. The first session was held at the  
University of Chicago, Chicago, Illinois, from July 1-11, 1918.

Marie A. Pierson, Mail and File Clerk, GS-3, requested and received reassignment to a seasonal Clerk-Typist, GS-3, position in the Procurement and Property Supply Branch, effective April 6.

Two Civil Service examinations were held by the local board of Examiners during the month: FSSE on April 11, and Local Board's Stenographer-Typist, April 24.

The 1959 Fishing Regulations and the 1959 Boating Regulations were issued on April 23. There were no changes from those in effect in 1958.

Superintendent Garrison approved new meal rates for government messes -- \$1.10 for breakfast, 90¢ for sack lunch, (messes will not serve hot lunches this year), and \$1.30 for dinner, \$3.30 per day.

In-Service Training. Park Rangers attended the gate operation school held by the Fiscal Office on the 29th.

Miscellaneous. The National Federation of Federal Employees Union, Local 465, held its regular monthly meeting on April 6.

The Montana State Federation of Federal Employees Unions will hold its annual convention in the Chamber of Commerce Building, Billings, Montana, on May 9. Mr. Ellis E. Gabbert of Yellowstone is the State President. Delegates will be sent from the Yellowstone Local.

The Mammoth PTA held election of officers on April 2.

The regular monthly meeting of the American Federation of Government Employees was held on the 13th.

Births. A son, Steven Elliott, was born to Mr. and Mrs. Ray Norton, Memorial Hospital, Livingston, Montana on April 1. Mr. Norton is employed by Hamilton Stores, Inc., at Mammoth.

Deaths. Mr. John Siegel, nicknamed "Sundown", 65 years of age, passed away April 15, in Livingston. The place of his birth is Wieper, Germany. He has been employed by the Yellowstone Park Company since 1925.

Mrs. Virginia C. McGrary, passed away April 26 in McLean, Texas. She is the mother of Mrs. E. Lee Robinson, Yellowstone Park.

Accidents and Public Safety. One accident occurred during the month, when a car slid off the road. No personal injury was incurred.

Section 1. Purpose, Scope, and Definitions. This Act shall be known as the "Act to provide for the establishment of a National Commission on the Status of Women" and for other purposes.

Section 2. Short Title. This Act may be cited as the "National Commission on the Status of Women Act".

Section 3. Findings. The Congress finds that the status of women in the United States is a matter of national concern and that it is in the public interest to establish a National Commission on the Status of Women to study and report on the status of women in the United States.

Section 4. Composition of the Commission. The Commission shall be composed of fifteen members, to be appointed by the President, by and with the advice and consent of the Senate.

Section 5. Terms of Office. The members of the Commission shall hold office for a term of three years, and shall be eligible for reappointment.

Section 6. Organization. The Commission shall have the honor and privilege of access to all departments and agencies of the Executive Branch of the Government.

Section 7. Powers and Duties. It shall be the duty of the Commission to study and report on the status of women in the United States, and to make recommendations to the President and the Congress for the improvement of the status of women.

Section 8. Report. The Commission shall submit a report to the President and the Congress at the end of its term of office, and at such other times as the Commission may deem appropriate.

Section 9. Expenses. The expenses of the Commission shall be paid out of the Treasury of the United States.

Section 10. Severability. If any provision of this Act is held to be unconstitutional, the remaining provisions shall remain in effect.

Section 11. Effective Date. This Act shall take effect on the date of its enactment.

Section 12. Repeal. Any law or part of a law inconsistent with the provisions of this Act is hereby repealed.

### Cooperative Activities

Publicity. On each Thursday, the Yellowstone Weekly News was issued to keep employees, concessioners and others currently informed of Park happenings.

There were two press releases issued. April 6: release and pictures of David deL. Condon's transfer to Great Smoky Mountains National Park; April 8: announcing opening dates for the 1959 season in Yellowstone.

Religious and Chapel Use. The Chapel was used every Sunday for the regular Protestant church school and services.

Museum Activities and Exhibits. A collection of representative igneous rocks and hot spring sinters were sent to the Washington School in Owasso, Michigan.

A weasel mount recently received from Jonas Brothers in Denver, will be placed in the Canyon Visitor Center in May.

The Mammoth Visitor Center served a number of Park visitors during the month.

Research and Observation. The Hot Springs were active at Main Terrace, Minerva, Cleopatra, Palette, Jupiter Springs, Naiad Spring, Cavern Spring, Opal, Highland, Orange Spring and White Elephant Back. Highland Springs have been exceedingly active. The spring near the center of Highland Springs has dried up completely.

Park Naturalist Beal inspected the wickiups near the Gardner River on April 25 and found them in reasonably good condition but indicated that if they are to be preserved positive steps must be taken for their protection.

Natural History Association. The Yellowstone Library and Museum Association sent on loan to the Oregon Trail Natural History Association at Scotts Bluff National Monument the sum of \$1,500 for the purchase of private lands to add to the Scotts Bluff National Monument. This loan was made April 21 and is to be paid back within two years, non-interest bearing.

Research and Observation. The Giantess Geyser started to erupt at 2:15 a.m. on April 15. This is the first time that this geyser erupted since last fall. This beautiful geyser usually plays from 12 to 36 hours.

Concessioners. Mr. and Mrs. Jack Haynes moved from Bozeman to the Park April 17 to open their operations at Mammoth.

Haynes Inc. awarded a bid to Wallace Ditoman, contractor, Bozeman, Montana for construction of the proposed Haynes Picture Shop-Dormitory in Canyon Village. Effective April 15, amount, \$83,933.19, exclusive of floors, painting and construction of sign. Work began about April 10 and should be completed by October 1, 1959.

Haynes Inc. 1959 annual Financial Statement was pre-audited and forwarded to the Washington Office on April 22.

The Director approved subsidiary operations for Haynes Inc., effective April 15, to provide for two wholly-owned subsidiary corporations operated under the name of Haynes Canyon Inc., and Haynes Old Faithful Inc. Haynes Inc. is to remain the parent organization.

Mr. Gar Helppie, Vice President of Hamilton Stores, Inc., and crew arrived in the Park April 28 to open their operations at Old Faithful.

Hamilton Stores, Inc., announced Love Construction Company of Billings was the low bidder for construction of a new warehouse at West Yellowstone inside the Park. Effective April 14, amount \$271,200.

The Director approved on April 25, the creation of three subsidiary corporations for Hamilton Stores, Inc. The subsidiary corporations are to be known as Hamilton Old Faithful, Inc., Hamilton Canyon, Inc., Hamilton Mammoth, Inc. The parent company remains Hamilton Stores, Inc.

The Yellowstone Park Company opened their Gardiner Garage and Shops on April 1. The Yellowstone Park Company mess at Mammoth opened on April 29.

Amendment No. 5A to the Yellowstone Park Company rates for cleaning and pressing were approved by the Superintendent on April 7.

Bus trips to the top of Mount Washburn will be resumed July 1. Governors of the States of Idaho, Wyoming and Montana have been invited to the Park for the first trip.

The popular Fish Fries on Stevenson Island will be resumed when the fishing season gets underway on Yellowstone Lake.

Stagecoach rides in old-fashioned stagecoaches and tallyhos will operate from Roosevelt Lodge to Pleasant Valley. Some of these trips will include breakfast and barbecue dinners served in Yancey's Hole.

Yellowstone Park Medical Service annual financial report was pre-audited and forwarded to the Washington Office on the 15th.

The Haynes Picture Shop at Old Faithful opened April 30.

Maintenance. The spring snow removal progressed according to schedule. Some difficulty was experienced during the middle of April because of heavy snows, bad slide conditions in Sylvan Pass and several days of bad blizzard conditions. The West Entrance road was opened for official travel on April 15. Mileage of roads required to be plowed increased considerably this spring as the Park crews plowed cabin areas, etc., which in the past were melted out by the time the concessioners moved in for their operation. By the end of the month all main Park roads were open to traffic except for the Tower Fall-Canyon section (Dunraven Pass), which should be open officially to public travel on May 1.

Snow crews started plowing on the Cooke City-Red Lodge road on April 28 and expect to meet the June 1 opening.

Work has been initiated on the curve realignment on the Gardiner-Mammoth road just below the lower Gardner River Bridge.

Protection and Ranger Service. On April 17 a nation-wide CONELRAD test alert was observed at Ranger Headquarters, from 9:30 a.m. to 10:00 a.m. Reception of CONELRAD instruction at 1240 was poor.

Building Fire Protection. The Yellowstone Park Company has purchased a Jeep fire truck for use at Canyon Village.

Forest Fire Protection. The first fire of the year occurred at the Mammoth Dump on April 13 which burned 12 acres of grassland. It was caused by high winds blowing sparks from burning debris into the dry grass.

Forest Insects. On the 30th, twenty-five bole samples of Spruce Budworm were sent to Missoula for incubation at the Forest Insects Laboratory.

Wildlife and Fish Cultural Activities. ANTELOPE. Antelope were observed for the first time this year in the Tower Fall area. Nine were observed on the 27th on Junction Butte.

BEAR. Bear tracks were seen at Rabbit Creek on April 2. Two grizzly bears were reported at the Gardiner Dump on the 5th. Bears have also been observed in the Old Faithful and Canyon areas.

**BIRDS.** Western Bluebird, Meadow Lark, Red Shafted Flicker, Western Robin, Townsend Solitaire, Pine Grosbeak, and the Clark Nutcracker were observed on April 3. A great Grey Owl was seen near Mary Bay on April 12.

**BISON.** In the Old Faithful-Madison Junction area, 62 bison were counted on April 9. On April 25, in the Lower Geyser Basin, 45 were seen, and 10 of these were new-born calves. There were approximately 120 on Lower Slough Creek during the first part of the month. There were small herds in the Horseshoe and 9 calves were observed on the 27th. Six calves were observed at Fountain Flat on the 25th, and 9 calves were reported near Junction Butte on the 26th.

**DEER.** Several deer were observed in the Tower Fall area.

**ELK.** Live trapping of elk was discontinued on April 1.

Elk are moving north out of the refuge and have been observed nearly to the south boundary of the Park. Large herds of 300-400 and 450 have been observed. The animals are in poor condition and weak. No elk calves have been reported during the month.

**MOOSE.** Five moose have been observed near the East Entrance. Moose have been observed all winter in the vicinity of the South Entrance. Six moose were seen in the Gallatin on April 26.

**SHEEP.** Ten bighorn sheep were observed north of the junction of the Lamar and Yellowstone Rivers on April 14.
